#### **NANOMALAYSIA CARRIES ON WITH THE COMMERCIALISATION OF NANOTECHNOLOGY.**

**KUALA LUMPUR, 31 MAY 2021** - Following the announcement by the Malaysian government on 28 May 2021 for a "Total Lockdown" from 1 to 14 June 2021, NanoMalaysia Berhad's (NanoMalaysia) office at Hampshire Place Office, Kuala Lumpur, will be temporarily closed.

All NanoMalaysia employees will continue with our Work From Home Operations (WFHO) under our Business Continuity Plan (BCP). Since 2020, our employees have been utilising NanoMalaysia's digital working collaborative platform and online communication tools. This allows NanoMalaysia's employees to connect between themselves and all external partners and stakeholders virtually. Any planned meetings for NanoMalaysia are to be held through teleconferencing or video conferencing.

We have also taken steps to protect our employees, project partners, stakeholders and guests by following the SOPs set by the Malaysian government. NanoMalaysia is committed to ensuring all our operations continue with minimal disruption. The health and welfare of all our employees and the community remain a priority for NanoMalaysia. We recommend that everyone take all measures to stay safe, following guidelines from the Ministry of Health (KKM).

Any changes to this information will be updated when there are further developments.

#### **About NanoMalaysia Berhad**

NanoMalaysia Berhad was incorporated in 2011 as a company limited by guarantee (CLBG) under the Ministry of Science Technology and Innovation to act as a business entity entrusted with nanotechnology commercialisation and industrialisation activities. Nanotechnology continues to provide efficient and enhanced solutions to various applications in smart living, smart manufacturing, agriculture, electronic devices and energy and environment. NanoMalaysia believes that the "Internet of Nano-Things" or IoNT, will be the core driver of the 4th Industrial Revolution, catalysing revolutionary changes in the industry, business and society. This is reflected in our REVOLUTIoNT initiative, which will be launched in 2020.
